500	Cover title.				
500	An English translation of the Russian folktale "T`S`arevna-li`a`gushka." Original illustrations have been reproduced. Cover illustration includes the series name "Skazki."				

520 In this folktale, "The frog princess," the King orders his three sons to shoot an arrow and marry whomever he finds at the arrow's landing place. Prince Ivan ends up marrying a frog. When the King commands his three daughters-in-law to perform a series of tasks, the frog wins all the contests. She turns out to be the beautiful Vasilisa the Wise, but she vanishes when Ivan burns her frog-skin. Ivan solicits the help of the witch Baba-Yaga to find Vasilisa and rescue her from the evil sorcerer Koshchey the Deathless.
